

# Settlement Plan

## Part 1 - Principal Applicant

The Settlement Plan asks you to provide information about how you intend to settle and find employment in Manitoba. To complete this form you should do research.

Part 2 of the Settlement Plan will be filled by your relative or friend in Manitoba who you indicated will endorse your plan (Manitoba Supporter). After you submit your online application the MPNP will forward your Settlement Plan to your Manitoba Supporter.

## Your reasons for choosing Manitoba

The Manitoba Provincial Nominee Program is an immigration program for skilled workers who intend to live and work as permanent residents in the Province of Manitoba. Please provide at least three reasons why you are choosing Manitoba as your immigration destination in Canada.

1. I have a strong connection to Manitoba through my cousin sister Mrs. Jagruti Patel. My sister is living in Brandon from 11/04/2013. She will provide me airport pick up, full accommodation with lodging and boarding. She will assist in job placement and provide financial support also if needed.
2. I would like to work in IT field as a developer. Initially I will work in any field for easy settlement. I have learned from my research and from my family friend that this occupation has a good outlook in Brandon region.
3. Manitoba is a leader in Canada for attracting provincial nominees. Now the province is getting ready to start a new pre-arrival services program for those provincial nominees destined for Manitoba. Manitoba has one of the most diversified economies in Canada, with stable economic growth and one of the Canada's lowest unemployment rates.
4. A welcoming community has strong desire to receive newcomers to create an environment in which they will feel at home.

## Your destination in Manitoba

Manitoba has many different regions that offer diverse opportunities for newcomers. Please name the city, town or region in Manitoba where you intend to live.

City, town or region in Manitoba: BRANDON

Two reasons for choosing this destination in Manitoba.

1. My cousin sister is living in Brandon. Having the support of my cousin will increase my potential for success and easy settlement with less harassment.
2. Brandon is an important regional centre of commerce, IT industry, culture, finance, and government and offers many opportunities for Brandon immigrants.
3. She is living in Brandon since 2013 with. Her reference will be best for my job placement. She is also in the same field of IT.
4. Westman Immigrant Services provides settlement, employment and language programs and services to new immigrants in Brandon.

# Settlement Plan

## Your relative / friend in Manitoba

Please provide additional details about your relationship with your relative / friend in Manitoba.

Mrs. Jagruten Patel is daughter of my mother Mrs. Hansaben Patel 's sister Mrs. Bagavatiben Patel.

## Your intended occupation in Manitoba

Your intended occupation in Manitoba is based on your education and work experience. It is the Canadian equivalent to your occupation in your country of residence.

Note that in different countries, occupations with similar duties may have different names.

Some occupations in Manitoba are regulated and require that you have a licence or certificate issued by a regulatory body before you are able to work in the province. To work in a regulated occupation you must apply to the regulatory body. The regulatory body will assess your qualifications to see if they meet the licensing requirements. Generally, regulated occupations require post-secondary education or training, work experience, language ability, licensing exams and registration fees. The Working in Manitoba, Canada Tool will tell you whether your occupation is regulated in Manitoba and explain the specific licensing process.

## Employment Plan

All Manitoba provincial nominees are expected to have an employment plan before they arrive in Canada. The information below will describe your plan to find skilled employment in Manitoba soon after you arrive.

Your intended occupation: SOFTWARE DEVELOPER

Is your occupation regulated in Manitoba? No

If your occupation is regulated, what steps will you take to meet the requirements for working in this occupation in Manitoba?

If your occupation is regulated, can you start the licensing process before you arrive? No

If yes, please explain what steps you will take to start the licensing process before you arrive in Manitoba.

If your occupation is regulated, in what related occupations could you find skilled employment in Manitoba based on your training and work experience?

# Settlement Plan

(For example, an engineer could work as a draftsperson, or a pharmacist could work as a pharmacy technician. The Working in Manitoba, Canada Tool has information on related occupations.)

I will work in lower category to understand the working environment in Canada and it will also enhance my skills. While working as a web developer or computer programmer will help to expand and explore my knowledge.

If your occupation is not regulated, what steps will you take before you arrive in Manitoba to ensure you filled employment soon after arriving in Manitoba?

I will learn more about Manitoba work place culture. I have used the working in Canada tool to look at my occupation. This web site gave me detail report of advertised job opening, job duties & wages, licencing requirement, education & trainings. I compare my recent duties with Canadian style & system. I am taking online self assessment test to compare my English to the Canadian language bench mark.

**The following Employment Plan questions must be answered for both regulated and non-regulated occupations.**

Are you planning to upgrade your job skills before you arrive in Manitoba?

Yes

If yes, please explain what steps you will take to upgrade your job skills.

I have started demonstrated aptitude for problem-solving; ability to determine solutions at work place. Skill must be results orientated and able to work both independently and within a team environment. I started to improve excellent verbal and written communication skills.

I will take Online Self-Assessment test to compare my English to the Canadian Language Benchmarks.

Some occupations require higher language proficiency to be employable in Manitoba. Do you have the language ability required to start employment in a skilled occupation after you arrive in Manitoba? Yes

Are you planning to improve your English language skills before you arrive in Manitoba?

Yes

If yes, please explain what steps you will take to improve your English language skills.

I passed IELTS with 4.5 bands. I have started professional english coaching classes to improve command English language.

I am using interactive web sites and English language podcasts to improve my English proficiency. I started to improve and extend my vocabulary and deliver a speech trial. I always watch English movie and tv shows to understand pronunciations.

Note that the MPNP offers online English courses once individuals have been nominated by the province and are waiting for their visas to be issued.

## Your financial situation

All applicants for nomination for permanent immigration to Canada must demonstrate that they have access to sufficient financial resources in their own name to support their settlement in Manitoba.

In the MPNP online application the principal applicant must submit a financial history including bank statements covering a minimum of six months, a statement of debts and assets, and proof of ownership of real estate including current market price evaluations.
